

SUBJECT INFORMATION PACK

Teacher of Science

Full-Time

Join an outstanding team!

Our Team

The Science team is made up of strong practitioners who are committed to working collaboratively and supportively to ensure great outcomes for our students.

We are currently a team of 13 teaching staff, both full and part time, an HLTA and a technician.

We are proud of being part of the Latimer team: if you share our passion and enthusiasm, we would love you to apply for this post!

The Role

We are looking for a new member to join our team: someone who will share our passion for Science and also someone who will bring new ideas and embrace the culture of sharing that we foster. In essence, we are looking for an outstanding Science teacher.

The department has a strong track record of nurturing trainees and ECT's through the early stages of their careers and so if you are looking for your first post, there would be no better place to start than at The Latimer Arts College!

Our Curriculum

The department is well-resourced with a variety of digital textbooks and practical resources.

GCSE students are following the AQA Combined Science (Trilogy) syllabus. We also offer Triple Science, the take up of which is very strong.

In Years 12 and 13 the department offers four A Level subjects:

OCR: Biology

Edexcel: Chemistry

Edexcel: Physics

AQA: Psychology

Our Facilities

Most excitingly, we have a purpose built Science Learning Centre, which consists of 9 main classroom laboratories, a small A Level lab classroom, two prep rooms, a staff base and office.

Each lab is equipped with a projector and the department is served by a trolley of tablets that allow IT and data logging to be incorporated into teaching.

Each member of teaching staff has a laptop.

Job Description—Teacher of Science

Role: Teacher of Science

Line Manager: Head of Science (known as Progress Leader)

Direct Reports: None

Scale: TMS

General Responsibilities

- To teach Science and carry out the specific responsibilities of the role as contained in the School Teachers' Pay and Conditions document;
- To be a form tutor and to carry out the specific responsibilities of the role.

Specific Responsibilities

Classroom Teacher

To fulfil and maintain the Teaching Standards by:

- Understanding and being fully committed to the duties and responsibilities in relation to child protection and safeguarding young people;
- Demonstrating consistently high standards of personal and professional conduct;
- Setting high expectations which inspire, motivate and challenge students;
- Demonstrating good subject and curriculum knowledge;
- Planning and teaching well-structured lessons to a range of age groups and abilities, ensuring that all students make outstanding progress;
- Managing behaviour effectively to ensure a good and safe learning environment in which students can learn effectively;
- Making accurate and productive use of assessment to track the progress of each individual student in timetabled groups and intervene to narrow the gap where progress starts to fall behind;
- Fulfilling wider professional responsibilities by contributing to department and whole school improvement;
- Communicating and consulting effectively with relevant stakeholders;
- Attending meetings as set out in the published meeting cycle.

Form Tutor

- To lead a tutor group and be responsible for the delivery of tutor time activities in accordance with the published schedule and as directed by the House Leader;
- To encourage tutees to comply with Latimer core values;

Job Description continued

- To encourage the student voice and develop a Form and House ethos that is in harmony with our core values;
- To encourage high levels of attendance;
- To provide relevant information, advice and guidance to tutees.

Other

- To undertake any other reasonable duties as directed by the Principal.

Person Specification: Teacher of Science
